Respected Sir/Ma'am

This correspondence is submitted in response to the mail with 50 classrooms below 500 sq. ft.

I wish to bring to your kind perusal that as we are filling the details for CBSE the first time, we have wrongly filled the data.

The Classroom and infrastructure of the school is aligned to the norms as set by CBSE. The school has 55 rooms in total of which 40 classrooms are of 500 sq.ft, 10 classrooms between 400-500 sq.ft and 5 rooms more than 600 sq.ft which include the Math Lab, Computer Lab, Composite Lab, Library and Multi-Purpose Hall.

The YouTube video link for the above is as follows

This is for your kind reference and necessary action

Yours sincerely

Dr Aditya Joshi
